

BRASS HAMMERS

7lb, 10lb and 14lb heads are machine finished

7HBRFRH07

- Suitable for use in non-sparking environments and for applications where risk of chipping needs to be minimised
- Brass heads are pinned through the steel core of the fibreglass handle for added safety
- Harder wearing brass has a longer lasting life compared to copper
- Steel core is immersed in glue, with the pin in a blind hole to avoid sparking

| Product Code | Description | Head Weight | Handle Length | Weight | Barcode |
|--------------|---------------------------------------|-------------|---------------|--------|---------------|
| 7HBRFRH04 | 4lb Brass Hammer - Fibreglass Handle | 1.8kg | 400mm | 2.3kg | 9314572014046 |
| 7HBRFRH07 | 7lb Brass Hammer - Fibreglass Handle | 3.2kg | 800mm | 4.0kg | 9314572014053 |
| 7HBRFRH10 | 10lb Brass Hammer - Fibreglass Handle | 4.5kg | 900mm | 5.6kg | 9314572012318 |
| 7HBRFRH14 | 14lb Brass Hammer - Fibreglass Handle | 6.5kg | 900mm | 6.8kg | 9314572014060 |

Why Support Mumme Tools?

At Mumme Tools we are proud supporters of local Australian made products.

Our workshop, located in Lonsdale, South Australia is operated by skilled craftspeople that take pride in the quality products they make.

Our products are made tough, thanks to a passion for hand forging, pressing, grinding and packing here in Australia. All whilst using premium materials.

The quality speaks for itself with our range preferred by industry professionals.
