*Medical face masks level 2 made
at Tullamarine in Melbourne*

Vicare

Outstanding quality

The face mask is made of three layers of polypropylene fabric that is breathable and latex free.

- Inner layer is soft non-woven and moisture proof that is non-irritating and gentle on the skin.
- Middle layer is meltblown that protects by filtering out particles while being easy to breathe through.
- Outer layer is hydrophobic non-woven that repels water and anti-bacterial

Sized to fit everyone

Our masks are well sized at 17.5 cm wide and 9.5 cm tall.

Enhanced comfort

The adjustable nose bridge provides for enhanced comfort and fit.

Soft elastic ear loops make or an extra gentle yet firm fit when securing the mask to the face.

Australian-made

Masks are made right here in Tullamarine, Melbourne and employ locally.
