*Disposable face masks made at Tullamarine in Melbourne*

## Where can they be used

Ideal for general public use and workplaces that do not require certified face masks. Not suitable for medical, dental, veterinarian and some physiotherapy clinics that require certified masks. Refer to our disposable medical face masks level two for these situations.

## Face mask specs

Vicare's disposable face masks are designed for comfort with a focus on quality. Our 3-ply face mask with ear loops and adjustable nose bridge makes for enhanced comfort and snug fit. These masks are manufactured in Australia in our purpose-built facility.
