PURE PLANT OIL SOAP BARS
MADE IN AUSTRALIA

OUR NATURAL PURE PLANT OIL SOAP BARS ARE MADE IN AUSTRALIA USING THE FINEST QUALITY INGREDIENTS.

OUR 7oz/200g SOAPS ARE TRIPLE MILLED, HAVE HIGH GLYCERIN CONTENT, AND CONTAIN SUSTAINABLE PALM OIL.

CHARCOAL WITH PEPPERMINT OIL

Our uplifting bar is made with activated Charcoal from Coconut shell. It will help draw excess oil and toxins out of the skin's pores to be washed away, leaving the skin hydrated and nourished. This invigorating scent seamlessly blends with Peppermint and a hint of Lavender oil to cool the skin.

COCOA BUTTER

Natural Organic Cocoa Butter extracted from Cocoa Beans is the ultimate moisturiser due to its "super fat" content which leaves the skin super moisturised after bathing. Perfect for dry skin.

COCONUT WITH LIME OIL

This uplifting bar is infused with the tropical scent of Tahitian Coconut and West Indian Lime oil and contains finely crushed naturally sourced coconut shell. It will gently buff away dull skin while cleansing the body and will leave your skin radiant, fresh and purified.

EUCALYPTUS WITH LEMON, LIME AND PETITGRAIN

Formulated with crisp South Australian Eucalyptus Oil, this soap bar will gently cleanse the skin and awaken the senses, while the added Lemon Myrtle leaf will exfoliate and restore your skin's condition.

This bar has a high amount of natural anti-bacterial qualities and is great for oily skin.

FRANGIPANI WITH EVENING PRIMROSE OIL

The vibrant and intoxicating aroma of North Queensland's Frangipani emulsified with the beneficial property of Evening Primrose Oil helps soothe problem skin conditions.

This nourishing soap bar is great for replenishing your skin's moisture levels.

FRENCH PEAR WITH SHEA BUTTER

A vibrantly scented cleansing soap with a glittering blend of crisp French pears with a spicy ginger afterglow. Added Organic Shea Butter offers nourishing, soothing and moisturising action, leaving the skin, clean, supple and comfortable.

GOATS MILK WITH SOYA BEAN OIL

Especially suited to those with sensitive skin and those looking for a gentle cleansing soap bar. Blended with natural Goats Milk from the pristine farm lands of South Eastern Victoria.

LAVENDER WITH ESSENTIAL OIL

Natural Lavender Oil inspired by the perfumes and the colour of Tasmania's Lavender fields. Each soap bar creates a rich lather to gently cleanse your skin, without drying it out. The natural aroma of pure lavender oil will relax your body.

LEMONGRASS AND LEMON MYRTLE

The invigorating aromatics of Nepalese Lemongrass blended with Australian Native Lemon Myrtle from Northern NSW, freshens and awakens the senses. Lemon Myrtle leaf and Organic Calendula flower lightly exfoliates and rejuvenates the skin.

MANGO BUTTER WITH MANGO KERNEL OIL

Tropical Australian Mango Butter soap is an ultra-moisturising, non-irritating, and cleansing bar that will give your skin a moisturised and rejuvenated appearance. Great for all skin types.

MANUKA HONEY WITH JOJOBA OIL

With 100% pure Manuka Honey from New Zealand, our soap will gently clean the face and body, maintaining your skin's natural moisture, smoothness and elasticity. It contains a high content of antioxidants, and limits the production of free radicals that damage skin cells. Great for all skin types.

OLIVE OIL WITH VITAMIN E

Take a stroll through the olive groves of regional Victoria with our pure plant oil soap bar with added Cold Pressed Virgin Olive Oil to moisturise your skin, and added Vitamin E, to help soften your skin.

ROSE GERANIUM WITH ROSEHIP OIL

A unique blend of Essential Geranium Oil and Organic Rosehip Oil, ideal for enhancing your complexion and promoting a healthy skin tone.

This bar will leave your skin radiant and hydrated.

SEA SALT WITH OCEAN MINERALS

Wash with this beautiful Sea Salt soap for a refreshing wash that is reminiscent of an early morning beach stroll.

This Sea Salt soap is enhanced with rich minerals deposits found in the Camargue region of France and will work to tone and soften the skin.

Our soaps are made using quality ingredients, but the ingredients we leave out are just as important.

ABOUT US

Australian Botanical is an Australian run and owned **Father & Son Company**.

Our product has been in the market place since 2007 and in that time we have developed a loyal and passionate following.

We are proud of the fact that our soap contains only natural ingredients and is free of petro chemicals and sodium laurel sulphate.

At Australian Botanical Soap we understand the importance of being an environmentally aware company with a focus on offering products that are made responsibly and sustainably.

Our environmentally friendly packaging is recyclable and we only use palm oil that is sourced from accredited sustainable palm oil plantations.
